

# AMRO26 Call for Participation

AMRO is a biennial community festival in Linz that explores and discusses new challenges between digital culture, art, everyday life, education, politics and active action.

## AMRO26

### Art Meets Radical Openness – Becoming Unreadable

Application deadline: Friday, 16th January 2026 (23:59 CET)

Event date: 13th–16th May 2026

Location: Linz, Austria

Through this form you can propose one or more contributions for the 2026 Edition of Art Meets Radical Openness - AMRO26.

The proposal for participation will be reviewed by a group of long-term AMRO community members, who will evaluate the thematic affinity of the proposal with the AMRO26 topic “Becoming Unreadable” and with our Festival Policies.

Make sure you read the information at <https://radical-openness.org/en/amro26-call-participation>

There are 51 questions in this survey.

## Participation at AMRO 26

If your work is selected for the festival, **we expect you to be in Linz during the whole event** and be ready to **present your work in more than one format** (eg.: performance AND workshop).

Please consider that our resources are limited. In case your work is not selected for AMRO26, we might still want to contact you for future projects. Your data will not be shared with third parties.

Formats:

- Lectures or Panel proposals (up to 40 minutes)
- Workshops
- Artwork presentations & Showcases
- Video works & short movies
- Performances, Nightline (ca 30 min)

Make sure you provide all the information that might help us understand your work. If you have any questions, please contact [amro26@servus.at](mailto:amro26@servus.at)

+++ Make sure you have an offline copy of your answers before you fill in the form, in case it that the connection breaks. +++

FILES are available here <https://publications.servus.at/2026-AMRO26/cfp/>

### **I have read and understood the above. \***

Please choose **only one** of the following:
